

Monday 8th April 2024

Dear parent / carer

RE: Year 8 Parents Evening Postponement

As we begin this new term, we are writing to inform you that this week brings the celebration of Eid within our diverse community. This no doubt continues to be an enriching experience with many students, staff and their families celebrating at this time.

As a result of this religious observance, a number of staff will not be available to attend the planned progress evening for Year 8 on Wednesday 10th April. We value the conversations that take place on this evening and as not all staff will be available, we are postponing to maintain the integrity of the evening.

We appreciate the late communication is not ideal but recent confirmation of the religious observance means it falls on this date.

We thank you in advance for your continued support of the school. A future date will be communicated as early as possible to ensure you are provided with the most relevant information on progress made and areas for further development.

For those celebrating at this time Eid Mubarak!

Best wishes,

Lee Parfitt (College Leader)
