Walking on Sunshine!

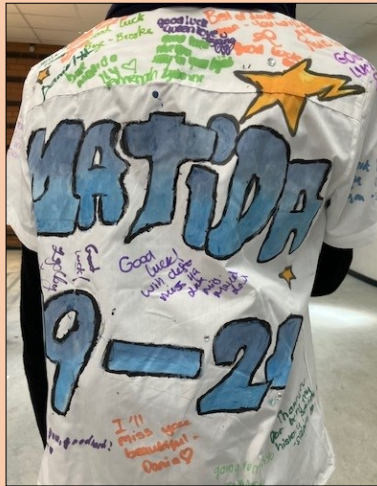

Friday afternoon was dominated by the respective Leavers Assemblies for both our Year 11 and Year 13 students who have now officially finished for the summer!

Massive thanks go to Mr Tindall for organising the event, Miss Foster for leading the assembly for Year 11 and Mr Bowers for similarly leading the assembly for Year 13. In addition we would also like to thank the Catering Team for putting on a BBQ for the students to finish their time (for the moment) with a Mediterranean buffet to match the beautiful

summers afternoon, a wonderful accompaniment to the heartfelt conversations and reminiscing with the peers and teaching staff alike.

As normal, students brought their 'A-game' and attended the event with fully decorated shirts, ready to receive the well wishes of their friends and staff who taught them. It was a super way to end the week and an amazing way for them to end their academic year. However, we look forward to welcoming many of our Year 11s back to us once they have received their results in the

summer, to tackle the next stage of their studies within the academy's successful Sixth Form! **Best of luck to you all!**

Best of luck also to our **Year 10 students** sitting their first formal mock examinations in each of their core subjects next week. Please [CLICK HERE](#) for more details.
